

## Johnson Service Company - J146

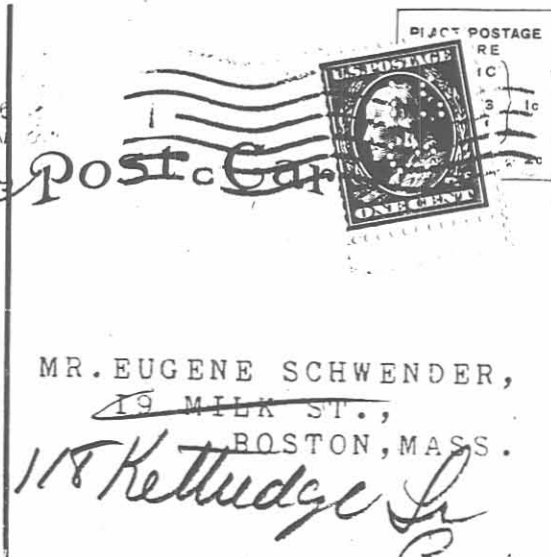

Robert H. Szymanski (L145)

Do not forget that the Johnson  
is the Original System of Temper-  
perature Regulation. All others  
insofar, as they are succesful at  
all are based on our ideas. We  
have been serving the public for  
26 years as is evidenced by the  
buildings supplied.

JOHNSON SERVICE  
COMPANY.

The Johnson Service Company, Milwaukee, Wisconsin is listed in *The Catalog of United States Perfins* as the user of perfin pattern J146. This September 16, 1909, postmarked postcard indicates

the early usage of the company's JS/Co perfin. The text on the left hand side tells us know that Johnson was an early supplier of temperature regulators.
